WESTCOAST SPORTS ASSOCIATES

WSA funds help over 10,000 youths participate in sports and programs every year!

ORGANIZATION MISSION:

- Westcoast Sports Associates (WSA) is a 501(c) 3 nonprofit organization committed to *Making Youth Sports Possible*. We are **dedicated to giving economically disadvantaged children in Southern California the opportunity to participate in organized sports**. For many children, the opportunity to participate in sports would not be possible without our funding.

CORE INITIATIVES:

- Each year, WSA allocates more than \$250,000 in grant funding to **community-based partners** administering high quality youth sports programs in underrepresented neighborhoods in Southern California. Since 1996, WSA has provided much needed support that has allowed the awarded City of Los Angeles Recreation Centers and Nonprofit Organizations to charge affordable program fees and offer increased scholarships.

FUNDING SOURCES:

- WSA is fortunate to have many Corporate and Foundation partners in the Los Angeles region and is regularly looking to build new relationships. The majority of funding each year is raised at the Annual Dinner Gala & Roy Firestone Award event. WSA Summer Swing Classic Golf Tournament is an exciting new event that will help build community and bring much needed funding to underserved youth sports programs.

LEADERSHIP TEAMS:

- The WSA Board of Directors are complemented by an Advisory Board and 70 other volunteer members who help achieve WSA's mission by serving on committees to collectively influence equal opportunities in sports for the children of Greater Los Angeles.
